PROGRAMS & OPERATIONS LEVY

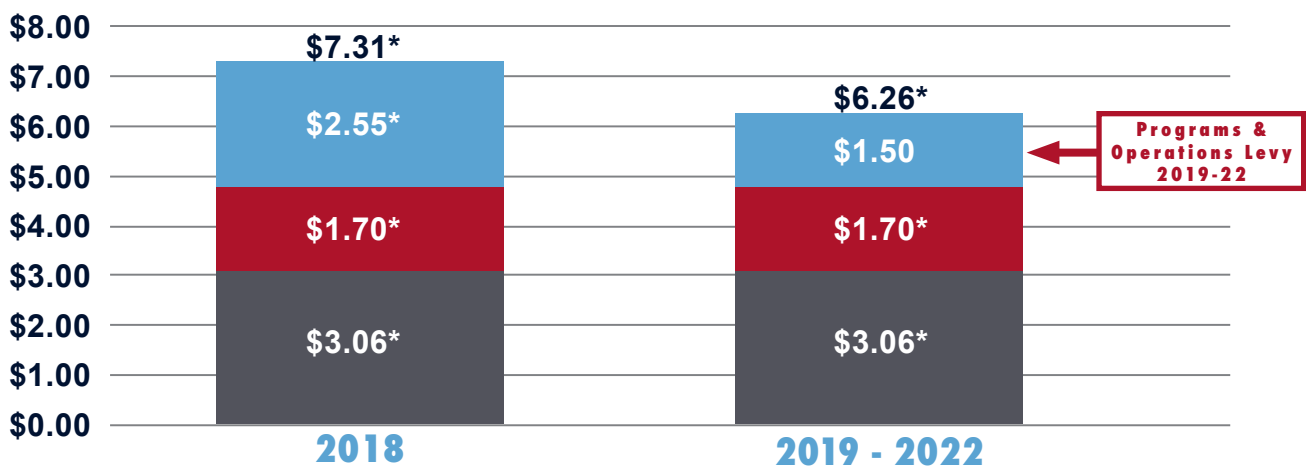

West Valley School District is running a replacement 4-year levy on February 13, 2018.

This levy will fund the years 2019 - 2022. The passing of this levy allows the continuation of extracurricular and co-curricular activities that would otherwise cease to be offered to West Valley children.

West Valley stands out to employers and academics alike because of activities such as academic coaching, vocational preparedness, and music programming just to name a few. These types of enrichment activities prepare our young people for a successful future and subsequently a brighter future for West Valley itself.

The \$1.50 levy can ONLY be used for enrichment activities, so you can feel confident that a VOTE YES, is a vote for good stewardship of our community.

#IMPACTWV

* Estimated amounts...rates will vary annually

Amounts are \$/\$1,000 of assessed property value.

State Levy Rate that pays for "basic education needs". Rate varies annually based on assessed property values.

Local Bond Rate that varies annually and is based on assessed property values & bond payoff schedule.

Local Levy Rate that pays for "enrichment activities". Rate is fixed at \$1.50 beyond 2018.

VOTE ON OR BEFORE FEBRUARY 13TH
